

Acceptable Use Policy

Dinowebs' Acceptable Use Policy ("AUP") is provided to give our customers and users a clear understanding of what Dinowebs expects of them while using the service. All users of Dinowebs' Internet services: those who access some of our Services but do not have accounts, as well as those who pay a service fee to subscribe to the Services, must comply with this AUP and our ToS (Terms of Service).

Use of Dinowebs Service constitutes acceptance and agreement to Dinowebs' AUP as well as Dinowebs' ToS (Terms of Service).

We support the uncensored flow of information and ideas over the Internet and do not actively monitor subscriber activity under normal circumstances. Similarly, we do not exercise editorial control over the content of any web site, e-mail transmission, newsgroups, or other material created or accessible over or through the services, except for certain proprietary Web sites. However, in accordance with our ToS (Terms of Service), we may remove any materials that, in our sole discretion, may be illegal, may subject us to liability, or which may violate this AUP. Dinowebs may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrongdoing. Your violation of this AUP may result in the suspension or immediate termination of either your Dinowebs account without Prior notice.

This document is intended to provide a basic understand of Dinowebs' Acceptable Use Policy. The following are guidelines for the establishment and enforcement of Dinowebs' AUP:

- Ensure reliable service to our customers.
- Ensure security and privacy of our systems and network, as well as the networks and systems of others.
- Comply with existing laws.
- Maintain our reputation as a responsible service provider.
- Encourage responsible use of the Internet and discourage activities which reduce the usability and value of Internet services.
- Preserve the value of Internet resources as a conduit for free expression and exchange of information.
- Preserve the privacy and security of individual users.
- Dinowebs intends to provide its customers access to everything the Internet has to offer. While Dinowebs is firmly committed to the principles of free speech, certain activities that may be damaging to the resources of both Dinowebs and the Internet and cannot be permitted under the guise of free speech. The resources of Dinowebs and the Internet are limited, and abuse of these resources by one user has a negative impact on the entire community.

We do not routinely monitor the activity of accounts except for measurements of system utilization and the preparation of billing records.

You may not use your dedicated system or virtual site to publish material, which Dinowebs determines, at its sole discretion, to be unlawful, indecent or objectionable. For purposes of this policy, "material" refers to all forms of communications including narrative descriptions, graphics (including photographs, illustrations, images, drawings, logos), executable programs, video recordings, and audio recordings.

If a Dinowebs account is used to violate the Acceptable Use Policy or our TOS, we reserve the right to terminate the service without notice. We prefer to advise customers of inappropriate behaviour and any necessary corrective action, however, flagrant violations of the Acceptable Use Policy will result in immediate termination of service. Our failure to enforce this policy, for whatever reason, shall not be construed as a waiver of our right to do so at any time.

As a member of our network community, you must use your Internet access responsibly. If you have any questions regarding this policy, please contact us at info@chris-smith-web.com.
